

## Nativity Catholic School Third Grade Canned Soup Service Project

During the month of February, third grade will be collecting 19 oz. cans of Chunky and Progressive Soups to donate to ECHO (Ecumenical Community Helping Others). ECHO is a local, all volunteer, charity that assists people in need in our community.

The children are very excited about the prospect of helping so many others.

If you would like to donate, please send your canned soup donations in with your student during the month of February. The last day we will collect is February 27th.

Third grade thanks you in advance for your  
generosity!
