

Dear Parents/Guardians of 3-8 Grade Students,

Nativity Catholic School is pleased to provide an after-school opportunity to enrich Science, Technology, Engineering and Mathematics (STEM) through participation in our Math Club. As part of the Math Club, students will participate in Math Olympiads and Math Madness.

These are Math problem-solving contests for teams of students in grades 3 through 8. The students will be prepared for these contests in a series of meetings offering Math strategies, problem-solving challenges, and other activities to get kids more comfortable and capable in Math.

Nativity's Math Club will meet weekly on Mondays from 3:00-4:00 in the Math room and led by Mrs. Sinclair. The first meeting will be Monday, September 23, 2019.

We hope your child can join us! More information about the programs can be found at <http://www.moems.org/program.htm> and [https://www.aretelabs.com/math\\_madness/about](https://www.aretelabs.com/math_madness/about).

The cost will be \$65 per student. If interested, please complete and sign the attached registration form and return to the front office with your payment before Monday, September 16. Checks should be made payable to Nativity Catholic School.

If you have any questions, please email Mrs. Sinclair at [msinclair@nativityschool.org](mailto:msinclair@nativityschool.org).

---

**PARENT PERMISSION FORM (Return to the school office by September 16)**

\* I understand meetings will be held from 3:00-4:00 on Mondays, beginning Monday, September 23 (Location: Math room).

\* I understand that my child will be taken to Extended Care after 4:05 pm if they have not been picked up and that I am responsible for any fees incurred.

My child \_\_\_\_\_, has permission to participate in Nativity Catholic School's Math Olympiads/Math Madness Club.
