

Dear Parents/Guardians of 4-8 Grade Students,

Nativity Catholic School is pleased to provide an after-school opportunity to enrich Science, Technology, Engineering and Mathematics (STEM) through Math Olympiads.

Math Olympiads are math problem solving contests for teams of up to 35 students in grades 4 through 8. The students will be prepared for these contests in a series of meetings offering math strategies, problem solving challenges and other activities to get kids more comfortable and capable in math.

Nativity's Math Olympiads club will meet weekly on Mondays from 3:00-4:00 in the Math room. The first meeting will be Monday, October 29, 2018. Mrs. Sinclair will be the math coach.

We hope your child can join us! More information about the Math Olympiads program is at <http://www.moems.org/program.htm>.

The cost will be \$25 per student. If interested, please complete and sign the attached registration form and return to the front office with your payment before Monday, October 22.

If you have any questions, please email Mrs. Sinclair at msinclair@nativityschool.org.

PARENT PERMISSION FORM (Return to school office by October 22)

* I understand meetings will be held from 3:00-4:00 on Mondays, beginning Monday, October 29, 2018 (Location: Math room).

* I understand my child will be taken to Extended Care after 4:05pm if they have not been picked up and that I am responsible for any fees incurred.

My child _____, has permission to participate in Nativity Catholic School's Math Olympiads.
