# SUMMARY

Congratulations to the PTO on such a successful year! Surpassing fundraising goals by approximately **\$10K** is a significant achievement and demonstrates strong support from the community. Additionally, reducing expenses compared to the previous year shows effective financial management and resource allocation.

The involvement of more than **108 families volunteering** their time is impressive. Their dedication and commitment contribute greatly to the success of the PTO's initiatives. Furthermore, having **95% of families** participating in more than one PTO event indicates high engagement and enthusiasm within our school community.

These outcomes reflect the hard work and dedication of the PTO, parents, and school faculty. It's evident that the PTO efforts have made a positive impact and have been well-received by the families and the school community as a whole.

*Thank You for supporting  
our school & building  
community.*
